BRAND GUIDELINES
VERSION 1.0

02 / THE BRAND

Quietly capable. Always human.

The calm, capable partner behind a well-run restaurant.

OUR PROMISE

You focus on the restaurant.
We handle the work behind it.

01 / QUIETLY CAPABLE

Calm confidence.

Be specific about the work and honest about the agreed scope. Show useful next steps, rather than grand claims.

02 / CLARITY FIRST

Room to think.

Use clear records, generous space and a sensible hierarchy. Help restaurant owners understand what happens next.

03 / ALWAYS HUMAN

Grounded warmth.

Write to real people with a service to run. The brand should feel considered, approachable and quietly capable.

03 / LOGO USE

One logo. Used well.

Use the supplied artwork. Preserve the proportions, colors and generous clear space.

PRIMARY / PAPER OR GOLD

REVERSE / DARK SURFACES

GIVE IT SPACE

Let it stand.

Keep at least half the full logo height clear on every side. Minimum width: 140 px on screen or 35 mm in print.

THREE ESSENTIAL FILES

Choose the surface.

Primary for paper and gold. Reverse for ink, deep forest and midnight. One-color for single-ink production.

PROTECT THE ARTWORK

No treatments.

Do not retype, stretch, rotate, recolor, outline or add shadows. Avoid busy photographic backgrounds.

04 / CORE COLOR

A little warmth. A lot of range.

The original paper, ink and Ready gold stay at the heart of the brand.
